

**GENESEE TRANSPORTATION COUNCIL**

**RESOLUTION**

**Resolution 09-46 Amending the *2007-2012 TIP* by changing the FFY 2010 phase costs and schedules of select TIP Projects**

**WHEREAS,**

1. The *2007-2012 Transportation Improvement Program (TIP)* identifies those projects to receive federal transportation funding within the nine-county GTC planning region;
2. The Genesee Transportation Council (GTC) is committed to improving the delivery of federally-supported transportation projects with respect to scope, cost, and schedule;
3. GTC and New York State Department of Transportation – Region 4 solicited updated project costs and schedules from sponsors of projects currently programmed in the *2007-2012 TIP*;
4. A necessary step to attaining improved delivery of federally-supported transportation projects is to adjust the TIP for Federal Fiscal Year 2010 prior to the adoption of the *FFY 2011-2014 TIP*;
5. The proposed changes are presented in Exhibit 1;
6. The proposed changes do not require a new Conformity Determination;
7. The timing of this adjustment is such that an amendment of the *2007-2012 TIP* is now called for; and
8. The Council is satisfied that this amendment of the *2007-2012 TIP* is within the limits of reasonably expected funding resources and is consistent with the Long Range Transportation Plan.

**NOW, THEREFORE, BE IT RESOLVED**

1. That the Genesee Transportation Council amends the *2007-2012 TIP* by changing the FFY 2010 phase costs and schedules of select TIP Projects, and will update the existing TIP table accordingly; and
2. That this resolution takes effect immediately.

**CERTIFICATION**

The undersigned duly qualified Secretary of the Genesee Transportation Council certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Genesee Transportation Council held on September 10, 2009.
