

**GENESEE TRANSPORTATION COUNCIL**

**RESOLUTION**

**Resolution 23-17 Accepting the Monroe County High Accident Location Program (2021-2022) as evidence of completion of UPWP Task 6230**

**WHEREAS,**

1. The *FY 2023-2024 Unified Planning Work Program* includes Task 6230, Monroe County High Accident Locations Program, for the purpose of performing a detailed analysis of each location identified as a High Accident Location (HAL), identifying and evaluating potential countermeasures as well as developing specific safety recommendations;
2. Said Task included network screening of crashes occurring of County-maintained facilities, producing County-specific crash rates, analyzing candidate locations through a field review, producing collision diagrams, and evaluating potential safety countermeasures to make location-specific recommendations;
3. Said Task has been completed and has resulted in sixteen locations analyzed through the Monroe County High Accident Locations Program (2021-2022); and
4. Said summary has been reviewed by GTC staff and member agencies through the GTC committee process and has been found to be consistent with the goals, objectives, and recommendations of the Long Range Transportation Plan.

**NOW, THEREFORE, BE IT RESOLVED**

1. That the Genesee Transportation Council hereby accepts the Monroe County High Accident Locations (2021-2022) as evidence of completion of UPWP Task 6230; and
2. That this resolution takes effect immediately.

**CERTIFICATION**

The undersigned duly qualified Secretary of the Genesee Transportation Council certifies that the foregoing is a true and correct copy of a resolution adopted at a legally convened meeting of the Genesee Transportation Council held on August 24, 2023.
